

# NORCROSS' SOUTH END FREE LITTLE ART GALLERY

## F.L.A.G. #1: SUPPLIES STATION

### THANK YOU FOR VISITING NPAC'S FREE LITTLE ART GALLERY!

This Free Little Art Gallery (FLAG) was built, decorated, and donated by Paul Duke STEM School art students. The art materials inside are provided by the Norcross Public Arts Commission (NPAC) and are restocked regularly.

If you notice the box is running low or have any questions, please email us at [npac@norcrossga.net](mailto:npac@norcrossga.net).

### HOW IT WORKS:

- 1** Take a canvas and other supplies you may need. Remember, this box is intended for the entire community to enjoy! Please take only the supplies you need and leave some for your fellow neighbor.
- 2** Create your artwork! Art has no rules — Paint, sketch, or build using creative mediums to create something special. Add buttons or fabric, try macaroni for a 3D effect, or incorporate natural items like acorns and leaves for an eco-friendly touch. Get creative—this is your space to explore!
- 3** When your masterpiece is complete, head over to FLAG #2 in Betty Mauldin Park! Here you'll find display shelves where you can art swap. Take home a piece that inspires you and leave yours behind for someone else to enjoy!

Everyone is welcome to participate—no matter your age or skill level!

### DON'T FORGET TO SNAP A PICTURE AND TAG US ON SOCIAL!

## FREE LITTLE ART GALLERY

### F.L.A.G. #2: ART DISPLAY STATION

#### THANK YOU FOR VISITING NPAC'S FREE LITTLE ART GALLERY!

This Free Little Art Gallery (FLAG) was built by Ken Powell and donated by Yamily Mijes-O'Reilly. Norcross Elementary School art students under the direction of their teacher, Bobbie Adamczyk, painted the lovely artwork that brings this gallery to life!

#### HOW IT WORKS:

Browse the shelves and pick out a piece of art that inspires you—then leave behind your own creation for someone else to enjoy!

All ages and abilities are encouraged to participate!

Art has no rules, so feel free to go beyond traditional paint or sketch methods and make use of other items like fabric, buttons and buttons, sticks and leaves, macaroni pieces, anything you like—it's your creation!

#### NEED SUPPLIES?

The Norcross Public Arts Commission (NPAC) has stocked a companion FLAG Supply Station in the city parking lot at South Peachtree Street and Carlyle Street (just past Refuge Coffee).

There, you'll find small canvases, paint, brushes, and other materials to help bring your ideas to life!

Please take only the supplies you need and leave some for your fellow neighbor. Supplies are provided and replenished by NPAC. If the FLAG Supply Station is running low or if you have questions, just send us an email at [npac@norcrossga.net](mailto:npac@norcrossga.net).
